

# ICPC Scholarships

**Program:** The Iowa Conservation and Preservation Consortium (ICPC) is offering **reimbursement scholarships** of up to \$500 to individuals wishing to attend the Campbell Center for Historic Preservation or who wish to take an online course through Northern States Conservation Center.

**Requirements:** Eligible applicants are Iowa residents or college students in Iowa who are working or have worked in a museum, historical society, library, archive, genealogical society library, government record office, or other institution that preserves the history and culture of Iowa. Eligible applicants must be an individual member of the ICPC, or from an organization that has an institutional membership with ICPC. Recipients are required to provide a report of their experience for the ICPC website and provide either a “tip sheet” or do a presentation at an upcoming SOS (Save our Stuff) or other educational opportunity for the ICPC membership.

**Award:** ICPC will award a \$500 **reimbursement scholarship**. This simply means the successful applicant will pay for, take the class, and then turn in verification of their attendance to the ICPC in order to receive the reimbursement award.
